RÉPUBLIQUE ET CANTON DE NEUCHÂTEL

Why Neuchâtel ?

The canton of Neuchâtel has 180 000 inhabitants and is situated in the French-speaking part of Switzerland, between Geneva, Bern and Zurich. With a stunning backdrop provided by a lake and the Alps beyond, the central location of the canton offers an ideal access to airports and to the railway network.

What is Move@ne?

Move@ne is a mobility platform of the canton of Neuchâtel. It promotes and organises linguistic, cultural and professional experiences at the post-compulsory education level, including high schools and vocational schools. It offers :

- Advice to students, parents and teachers about the possibilities of exchanges, stays or internships in Switzerland (in another language area) and abroad
- Development of practical class and school projects
- Assistance for the organisation of individual internships in companies
- Quality feedbacks on existing programs
- A network of contacts in Switzerland and abroad
- Development of innovative programs for mobility

Move@ne works hand in hand with the national mobility agency, Movetia.
